## Shocked By Phone Sex

I was absolutely [shocked by the phone sex numbers](#) I found in my husband's briefcase when I was conducting my weekly snoop of his stuff, hehe....he thinks I don't now what he gets up to on his biz trips, but as long as it's only jerking off, I don't mind WHAT he likes to do!

As long as he doesn't bring home any nasty hoes or a drippy cock, I'm cool with letting him have some fun....even if it IS rather perverted, but hey...

## She Is Masturbating With Her Pantyhose

Okay, so I watched this hot young slut as [She Is Masturbating With Her Pantyhose](#) and it seemed a good time to haul out the old jizz cannon and stroke along with her....so I did!

Ladies in lingerie and rubbing their hot pussies is always a treat for men and I'm no stranger to the thrill of watching and jerking too!

## Hairy Teen Pussy

I was sitting around the hosue masturbating to my personal collection of [Hairy Teen Pussy](#) when a thought overcame me.....if I was to put honey on my dick and lay on an anthill in the backyard, I might experience sexual thrills not enjoyed since the days of the essenes....so I did it!

.....it HURT!

## Lesbo Butt Fetish

While surfing the web I came down with a very messy case of [Lesbo Butt Fetish](#) and had to take the cure at a local hospital.....what did they do?

- 1) Made me masturbate to pictures of Hilary Clinton.
- 2) Forced me to piss sitting down while reading a huge collection of HallMark cards.
- 3) Ordered me to attend anger management classes at the local school for the criminally insane.

After three months and a day I was cured and now lead a happy life as the Pastor at a day school for young kids.

## Shemale Model Loves Anal

When this lucky doof was hired to shoot some naughty pics of a hot transexual babe, he was thinking he might get a piece...and he sure did! She got him hot and horny, stripped him naked and then gave him a hot tight tranny asshole to park his meat sausage in!

Life is good when you're a pro photographer and your [Shemale Model Loves Anal](#) right on the set!

## Working Out At The Naked Female Gym

If [Working Out At The Naked Female Gym](#) sounds like a fun time and good way to get into shape, be warned - the only muscle I worked out there was my cock!

Until the huge female body builder manager came along and threw my ass out on the street...D'OH!

## Wet Mature Pussy

A mature pussy ALWAYS purrs when you play with it...

"That's it, now turn on the button and let it BUZZZZ!"

Mrs.Heaty was a fan of electronic sex gadgets and had quite the collection....she often employed the boy next door to come over and give them a try...of course that involved taking off her panties and spreading her legs, but the lad didn't mind and she DID have to field test her equipment....soon she got so turned on she had the boy bugger her bung-hole too! What a lovely lady!
